

ADVANTAGES FOR A PRIVATE LABORATORY/CLINIC IN CHOOSING V-VEIL UP2

Comparison between 2 HPV TEST methods:	Swab Method	Veil UP2 Method
--	-------------	-----------------

Human resources estimates

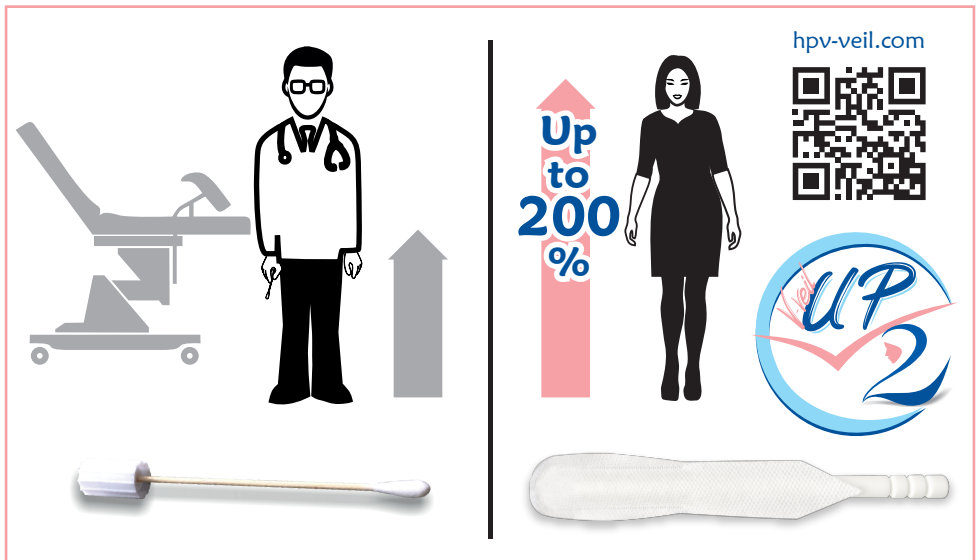

• Administrative procedures and sending of the samples	10 to 15 minutes	✓	○
• Preparation and disinfection of the gynecological examination table	3 to 5 minutes	✓	○
• A doctor to perform the test plus discussion	8 to 12 minutes	✓	○
• A doctor to sign the prescription file	1 to 2 minutes	✓	✓
• Table cleaning and disinfection	3 to 5 minutes	✓	○

Other costs to consider

Sterile disposable vaginal retractor	✓	○
2 pairs of gloves for installation and after cleaning	✓	○
1 pair of gloves for the examination	✓	○
1 full set of disposable clothes for the doctor	✓	○
1 Swab or brush	✓	○
1 HPV UP2 Veil	○	✓
The sterile transport tube	✓	✓

ADVANTAGES OF THE V-VEIL SOLUTION FOR THE LABORATORY OR THE CLINIC

- **THE CANCEROUS GENOME CAN BE DETECTED UP TO TWICE MORE WITH VEIL UP2 AS COMPARED TO THE CLASSICAL METHOD**
- THE USE OF VEIL UP2 DECREASES THE TOTAL COST BY 35 - 50%
- **VEIL UP2 DOES NOT REQUIRE THE PRESENCE OF A DOCTOR TO PERFORM THE HPV TEST**
- WITH VEIL UP2 THE NUMBER OF HPV TESTS TO BE DONE EACH DAY CAN INCREASE
- **THE PATIENT APPRECIATES A SAMPLING METHOD THAT RESPECTS HER PRIVACY**
- THE LABORATORY OR CLINIC HAS A REAL FOCUS OF SCIENTIFIC QUALITY COMMUNICATION
- **SAVE MORE LIVES BY USING VEIL UP2**

The image is a comparison graphic divided into two vertical panels by a thin black line. The left panel illustrates the 'classical method' with a doctor in a white coat and stethoscope standing next to a gynecological examination chair. Below this is a photograph of a classical HPV test swab, which has a long wooden handle and a small, thin cotton tip. The right panel illustrates the 'Veil UP2' method with a woman in a black dress standing next to a large pink arrow pointing upwards, labeled 'Up to 200%'. Below this is a photograph of the Veil UP2 test device, which is a long, white, flexible, and wider swab. In the top right corner of the right panel, the website 'hvp-veil.com' is written above a QR code. In the bottom right corner of the right panel, there is a circular logo for 'UP2' with a red checkmark and the word 'veil' in a script font.
